

**NOTICE TO CONTRACTORS
HIGHWAY CONSTRUCTION**

August 24, 2009

Sealed bids will be received in the Bid Room SA-17, located on the service level of the Department of Transportation, 310 Maple Park Avenue SE, Olympia, Washington, 98501 until 11:00 am, or at P.O. Box 47360, Olympia, Washington, 98504-7360, until 11:00 am, on the dates shown below.

All bid proposals shall be accompanied by a bid proposal deposit in cash, certified check, cashier's check or surety bond in an amount equal to five percent (5%) of the amount of such bid proposal. Should the successful bidder fail to enter into a contract and furnish a satisfactory performance bond, the bid proposal deposit shall be forfeited.

Bonds submitted on other than the bond form provided by the department may be subject to rejection.

It is the Washington State Department of Transportation's (WSDOT) policy to assure that no person shall, on the grounds of race, color, national origin and sex, as provided by Title VI of the Civil Rights Act of 1964, be excluded from participation in, be denied the benefits of, or be otherwise discriminated against under any of its federally funded programs and activities. Any person, who believes his /her Title VI protection has been violated, may file a complaint with WSDOT's Office of Equal Opportunity (OEO). For Title VI complaint forms and advice, please contact OEO's Title VI Coordinator at (360) 705-7098.

WSDOT hereby gives public notice that it is the policy of the department to assure full compliance with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, and related statutes and regulations in all programs and activities. Persons wishing information may call the Washington State Department of Transportation, Office of Equal Opportunity at (360) 705-7098.

The right is reserved to reject any and all bids and to waive informalities in the bidding.

Bidding proposal may not be issued to bidders unless they are prequalified, except where otherwise provided in Plans and Specification. For those contractors who are not prequalified, application for prequalification will be submitted on DOT Form 420-010 (Standard Questionnaire and Financial Statement) and must be received by the Prequalification Engineer no less than fifteen days prior to the scheduled bid opening to receive consideration for issuance of a bidding proposal for that bid opening.

Informational copies of plans and specifications are on file in the office of the County Engineer of the County in which the work is situated, the chapter offices of the Associated General Contractors of America in Seattle, Spokane, and Tacoma, and the offices of the Regional Administrators or the Headquarters of the Department of Transportation, where they may be inspected. The use of informational proposals shall be allowed only upon written request and will be accepted only when written authority for their use has been granted.

NOTICE TO CONTRACTORS

On April 13, 2009, the WSDOT announced that it would seek competitive bids for the collection and of growing native plants needed for the Interstate 90 Snoqualmie Pass East project <http://www.wsdot.wa.gov/Projects/I90/SnoqualmiePassEast/>. These plants would be collected from the local project area, grown in a nursery setting, and used for revegetation of roadside areas as well as restoration and mitigation sites. Since the April 13 announcement, WSDOT has further progressed in project design including potential changes in planting efforts. The purpose of this notice is to inform interested contractors that WSDOT will now likely advertise for bids in spring 2010.

Thank you for your continued interest in the Interstate 90 Snoqualmie Pass East project. If you have questions regarding this notice, please contact Craig Broadhead, Assistant Environmental Manager for Biology/Support Services, at (509) 577-1751, or via e-mail at broadhc@wsdot.wa.gov.

PRE ADVERTISEMENT NOTICE

WSDOT will hold a pre-advertisement meeting for the following Interstate widening project. Advertisement for bids on this project is tentatively scheduled for the end of October 2009. All interested contractors are encouraged to attend.
